

HELLO

H O W W E M E T

It was June 6th, 2024. I remember seeing you for the first time on that app. You looked so cute, and honestly, I just wanted to make new friends, so I added you.

A few hours later, you added me back. We started chatting for a while, and I asked if you had Snapchat. You sent it, and after a couple days of talking there, I asked for your Instagram.

I sent my first message: “heyyy.” You left me on seen. Five hours later, I tried again, another “heyyy.” This time you answered, and honestly, from that point... the rest is just history.

Sometimes I think, if I hadn’t double texted, so much might’ve been different. Crazy how one small moment can change everything.

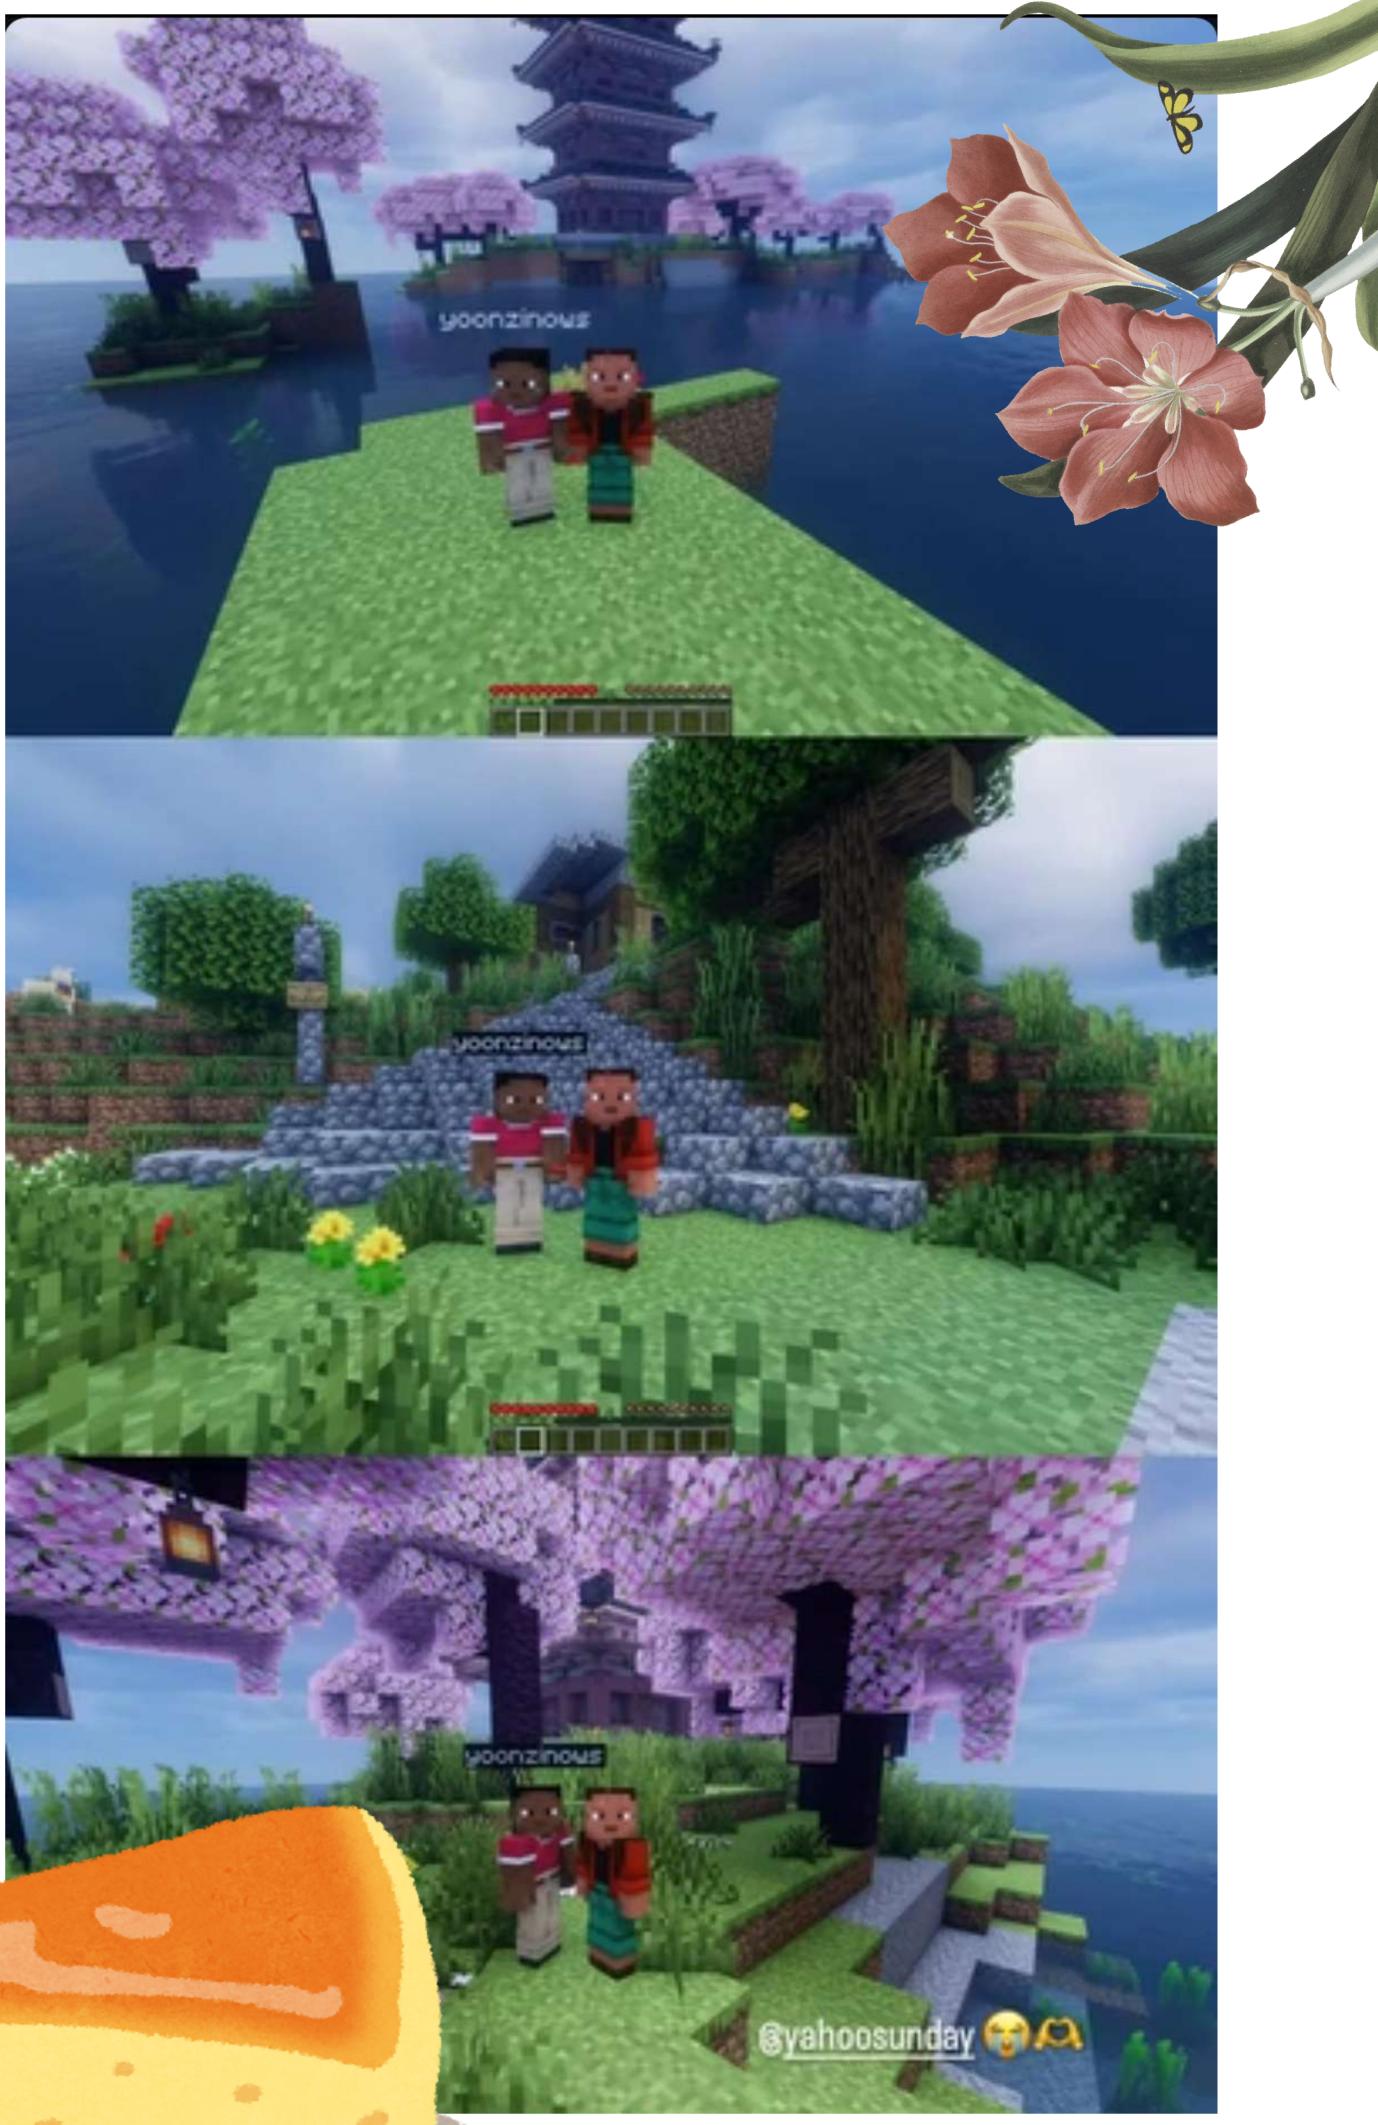

WHY YOU MAKE MY LIFE BETTER

HONESTLY, SINCE I MET YOU, EVERY DAY'S FELT A LITTLE LIGHTER.
YOU HYPE ME UP WHEN I'M STRESSED,
YOUR VOICE NOTES, YOUR RANDOM STORIES,
YOUR BULLYING, EVEN YOUR ROASTS, THEY ALWAYS MAKE ME HAPPY.

I NEVER THOUGHT SOMEONE COULD MAKE ME FEEL SO COMFORTABLE,
LIKE I CAN ACTUALLY BE MYSELF.
AWKWARD, DUMB, HYPED, WHATEVER.
YOU MAKE MY LIFE BETTER JUST BY BEING AROUND, TEXTING, CALLING,
OR EVEN LEAVING ME ON SEEN (I'LL FORGIVE YOU FOR THAT, TBH).
THANKS FOR BEING HERE AND FOR BEING YOU.
I LOVE YOU

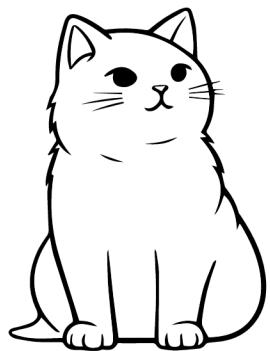

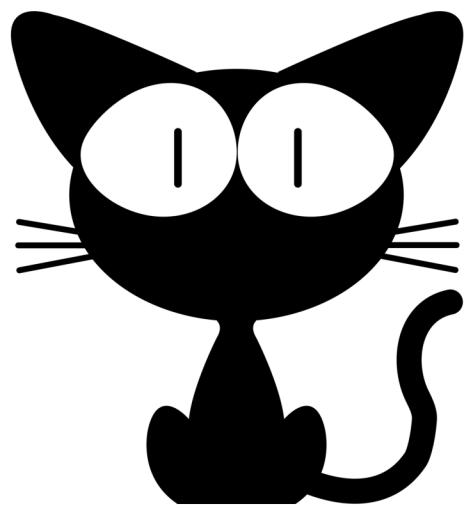

FAVORITE MEMORY TOGETHER

FOR YOU,
KYLA ❤

KYLA, EVEN THOUGH WE'RE FAR APART, YOU'RE ALWAYS ON MY MIND. EVERY DAY, I FEEL LUCKIER TO HAVE YOU IN MY LIFE. I MISS YOU MORE THAN WORDS CAN SAY, BUT NO MATTER THE DISTANCE, MY LOVE FOR YOU WILL NEVER FADE. YOU'RE MY HEART, MY EVERYTHING. I CAN'T WAIT TO BE WITH YOU SOON. ALWAYS THINKING OF YOU. 🌹

THANK YOU BEING
WITH ME!

i lvoe you
